

REASONS TO CHOOSE US

We offer the following services for YOU

- * Specialty orthodontic care for Children and Adults (over 40% of our patients are adults)
- * No charge for the initial consultation (with an exception of temporomandibular joint examination)
- * We use the smallest (Mini) and the most advanced aesthetic braces available
- * DAMON, Porcelain, Lingual (inside surface of the teeth), Invisalign, and Suresmile systems are available
- * Virtually no use of Headgear
- * Non-extraction treatment emphasized
- * Convenient hours
- * Flexible payment plans available
- * The most up-to-date sterilization practices that exceed OSHA's sterilization requirements
- * Incentive programs-games, contests, giveaways
- * Family Care Program
- * No fee recall program for all ages to evaluate orthodontic treatment
- * Community involvement - Dr Razdolsky and staff conduct educational programs throughout the surrounding communities by hosting field trips in our office and going to schools and youth organizations
- * Advanced methods for correction of jaw deficiencies
- * Orthodontic diagnosis through the latest digital imaging techniques
- * Preventive (Interceptive) screening and, if necessary, appliances at 7 years of age or younger to:
 - Reduce severity and treatment time later
 - Enhance facial growth and create improved facial balance
 - Reduce the necessity for extracting permanent teeth
- * 3D I-cat diagnosis
