

WOODEN NICKEL PROGRAM

We run this fun program for all of our patients. Save these nickels and trade them in for great gifts!

Wooden nickels will be awarded at each regular appointment for the following:

- * Properly wearing your appliances, rubber bands, and no broken braces
- * Arriving on time for your scheduled appointment
- * Keeping your teeth and appliances as clean and shiny as possible

We have contests in our office all of the time, and many patients win prizes for taking part in them. Check out by the front desk to see what contest is going on at every appointment.
